Darling

if this letter tends to become incoherent please pardon me as it just the way I feel now I've just been kicked out of my office so that the patients can go in and am in a mess. I leave that to your imagination

Can't you possibly come before the 27nd darling that means 10 days before I can see you 10 years I should say

Tell me which do you consider best a four roomed apt with a gas stove, and central heat @ \$15 per month or a 4 room flat without heat at \$18 per month wish the answer personally I like the first idea better

Tell the folks that mother will come to ~~the~~ Vancouver with you that's definite

I'll have to close now
with all my heart I
love you forever & ever
Rae

I'm getting in touch with
my stock today

Love to the folks

I love you with all
my heart and I can't put it
in words
