

Sunday

Wendy Darling

Just a line to tell you I love you so
very much and that I received 2 letters from you
today. Do you know you addressed one to
"Princess - Vancouver", but it got here, I really
don't know how, apparently they checked with
the return address. You say you want to sell
the Province of B.C. instead of the 1000. I don't
think I agree with you however I'll bring it
I'll send this to Victoria on the hope that ~~you~~
you will be there to receive it. Gosh all hell
it's hot today. So damn hot to eat I don't know
whether I was supposed to go to Lottie's but
she didn't phone so I'm not going I don't
go where I'm not invited still haven't heard
from Arkin's folks so haven't seen them
don't know what I will do Sunday. I think I'll
clean up the room, it needs it I'll see
anyhow. May take Esther & Sony out somewhere.
How are things going in Victoria. Did you
manage to get the suite rented and the
furniture packed. What sort of a stove are you
thinking of buying. A good one or just a stove
Wright today 207. I took my dark suit to
Wales & you should have heard the tailor
he swore in German, Chinese English
what have you. It's really some alteration
they have to make.

They wont do the time as just now they are too
too busy. So I'll see. How are all the family
you haven't mentioned your dad is he
ok. I really hope so. I suppose Eliza Harry
Rose + Joe are fine I hope. also the families
you know if it weren't that I love you
it's too damn hot to even write God Bless
you my beloved + keep you well I love
you so much it hurts

Love to everybody

God Bless you

I love you

Ralph
