

To the President, Officers
and Members of The Congregation Emanu-El.

Gentlemen;

Am writing you this letter,
wishing to find out, why there is no cemetery
fund. As there are monies paid in, for plots sold,
why could not a certain amount be kept separ-
ate, for the up keep of the cemetery?

This fund would provide for any future
extra expenses, that may occur unexpectedly.

Your prompt attention to the
above will oblige

Yours Truly

Eva Levy.
