Darling
This is the letter to the fellow
that you told me to write. Darling
the last two days have been so
divine that nothing on earth can
ever take the place of 1. Darling
I love you so much that I can't
even think of anything else but
when you are at the dance on
Wednesday think of me once in
a while for darling I don't do
anything else. Darling I know that
I am unworthy of you but the my
darling I love you so that all
my life I shall do everything in
my power to make you as happy
as I think you are now. My
darling if this paper could speak
it would plead for me, and
believe me darling if I had
the money I would be in
Vancouver next Sunday for it
is nothing but sterility when
you are away from me.

Well sweetheart I suppose that
she written enough to that fellow
don't you, so darling I hope that
this letter will give you the thrill
it gives me to write it to you

Mother & Dad send their
fondest regards to you and the
entire family. Give my love to
mother Dad Rose Miriam Elizabeth
Joe & David

With the utmost of love
and affection for the dearest
girl in the world, I remain
your lover who thought that
a love like mine could never
be

Darling

Auf wiedersehen
