Good Morning, Mr. President.

There are so many things that I want to say to you
Ralph dear, that I really don't know where to start, I still
LOVE YOU.

Please dear let me know when you can come over.
My mother was properly shocked when I told her you would
be over as soon as you could raise the cash wherewith to
buy a ring. I really should not have said that to her,
but -- She was so sweet! She said that if we cared
for each other, she would give us one of her diamond ear-rings,
to make into a ring. Of course that will be up to you.

Must get on to work, dear Ralph. I am now
completely sober,

All my love to you.
