

April 17/33

Dear Becky.

Ralph and I thank  
you again for your  
lovely gift. The  
lamp looks just  
beautiful in our  
living room and  
we sincerely hope  
that you will be  
able to visit us  
sometimes soon and  
see how nice it is.

and also to see the  
rest of our home. It  
is all cosy and comfortable  
and we'll surely be  
glad to see you any  
time from

Ann and Ralph
