Dear Sir,

In reference to your letter of April 21st. Re. this community's reception of the Chief Rabbi and party I am instructed to inform you that the Congregation has arranged programme as follows A-reception, A public meeting and a sermon which we trust will meet with your approval.

Possibly you are aware that this Community is a very small one the Congregation totaling approximately thirty members and being on an Island we have no outlying districts with which we should be able to swell our Congregation.

Please let me know the probable date of arrival in this City as soon as possible.

Yours Faithfully,

Secty.
