Dear Harry:-

Here I am again, and first of all how are you, especially your dear mother. We hope that she is up and around now and feeling herself again.

I was just calling my wife from downtown which is my usual daily procedure to ask if I had any mail, etc., and she said no, so I am wondering if your country is still on the map. Even my associates have not answered my letter, including Mr. Drury, our cousin Mrs. Mallek, Mr. Drury, Mr. Hibberson, and your friend Mr. Keate. Mr. Drury, and Mr. Hibberson, have always been so prompt and obliging; which ~~me~~ makes me very suspicious that possibly a deal is brewing direct with my associates.

Have you heard from Mrs. Mallek, of late and what is your opinion? Has my timber deal gone to sod or has Mr., Hemmingsen, failed in his adventure, or has Mr. Hibberson, submitted a deal to my associates; if so, I am then completely sunk and no trip to your beautiful City..

My 1936 slogan still stands, if a deal is consummated for the timber then nothing will stop me from making a trip to your City. Shall I take another shot in the arm Harry, or just forget about the whole deal. You being on the ground floor should know. Also, remember that should you happen to be in Victoria, be sure to call on Mr. Hibberson,

Have you talked to any timber men of late in your City, and what is their view of the general situation. I fully appreciate that you have your hands full with your own business but I hope that you will be able to find time to give my deal a little consideration. Do not let it interfere in anyway with your time.

Nothing much else to write, only that our winter has arrived in full bloom earlier then usual and I now wearing my overcoat and our furnace is going full blast. Business is very slow or rotten in my line, all I do is lie awake nights thinking what the outcome will be. Next week is our election, and we shall know whether it will be Roosevelt or Landon. Personally I do not give a rap one way or the other as I am fed up with politics plenty. Let me hear from you fully and freely at your convenience.

~~With~~ With best regards to you all, I am for this
time,

Harry D. D.
