### INSTRUCTIONS

Applications for transfers must originate with the branch to which the member is transferring and must be signed by the Branch Secretary and by the comrade seeking the transfer. The transfer will then be forwarded direct to the member's former Branch for completion and thence to the Provincial Command for final approval. When transfer has been duly approved the top section will be forwarded to the member's new branch to indicate that the transfer is in order. The member's master card should be forwarded to the new branch with this application.
