

Ki Darling

Just another rush to tell you I love you. Well that another day over and I'm still losing weight goodly goodly & today aint that some thing. How do you like the following for a menu at a restaurant lunch lettuce & tomato salad with hard Boiled eggs & coffee and 2 course Bread & butter dinner Roast beef Potatoes, peas, beans soup & coffee I missed dessert intentionally both meals total cost 50 cents good enough that's at Dick's on 13th it's really good & tastes almost like home cooking but enough about me. I got the bill from Brown Davidson re the 1315 it was \$7.50. If I could I ~~read~~ remember the account number I sent them a cheque if I had a cheque book. Gladys Read phoned today & was most grateful re parcel. Dorothy's Auk's mother passed away this morning I'll run out there this evening I think. Drop her a line will you. That's about all for local news. How did you find things in Victoria Satisfactory How does machu feel about moving to Vancouver or have you broached

the subject yet. Are you offering the joint
for sale. I think I like these people here
better today, they do try to be nice
Say hello to Ella Kramer & Stymie for me
also Doc & Minnie, Berman and anybody
else you happen to bump into. It rained
here all day but is clear now. How is
the weather there. How was the trip

Have you ever seen a more disjointed
letter. I'm just writing this as the
ideas come to me, which is not good
form for composition but gets everything
on paper.

Well darling there doesn't seem
to be anything else to say except
that I love you

Give the kids & mother a hug
& kiss from me

adore you

Ralph

Was everything moved from
1315 satisfactorily

I love you

R

When do you go to Lancaster
God Bless you
