## A Message from the President

Education has always played an important role in my life, both personally and professionally. I began my involvement at Temple Sholom as a member of the Religious School Committee when my children were very young and I continue to be involved in the Adult Education programs the Temple offers. At the Union for Reform Judaism (URJ) Biennial in November, a new program called "10 Minutes of Torah" was launched. This initiative of the URJ Department of Lifelong Jewish Learning encourages Jewish adults to spend 10 minutes a day reading, learning and considering topics of Jewish interest. The URJ will send you a one-page email each day, Monday through Friday. Daily topics are: Monday-Torah, Tuesday-Social Action, Wednesday-Israel Connection, Thursday-Jewish Ethics, Friday-Jewish World. You can select all five days or any combination.

To quote Rabbi Eric Yoffie, President of the URJ: "Who among us is so busy that he cannot spend 10 minutes a day in the study of a Jewish text? Just 10 minutes? Such a commitment would enable us to meet our Jewish obligation to make Jewish study a fixed occurrence. If we make time to answer our cell phones a dozen times a day and to check our email five times an hour, surely we can find 10 minutes to contemplate sacred words that nourish the soul."

To find out more about this program and sign up for the emails, visit the website at [www.urj.org/torah/ten/](http://www.urj.org/torah/ten/) You can also check out the archives of the previous messages since this program was launched.

Closer to home, I encourage you to participate in the wonderful learning opportunities that take place at Temple Sholom: Torah Study before Shabbat Services on Saturday mornings twice a month, the "Women in Torah" Learning Circle that takes place after Kiddush Lunch on Saturdays twice a month, Rabbi Bregman's Downtown Talmud Study, and this month's Sisterhood "Book and a Bagel" program on January 14th. Please take the time to read the Shofar and examine the Calendar each month. You'll be amazed at the number and variety of activities that are available to you as a member of the Temple Sholom family.

## TALKING TO GOD

In the past 25 years, there have been over 200 scientific studies on the effectiveness of prayer. Research findings confirm what theologians have always known: talking to God helps strengthen us mentally, emotionally and even physically.

In many ways, our health is actually dependent on our connection to the divine Source of Life. Yet, although we are programmed to communicate with God, it is not always easy to begin the conversation. When we want to pray, we may suddenly become awkward and speechless, unable to relax or find the right words to say.

In her book, *Talking to God* ( Alfred A. Knopf, 2002), Rabbi Naomi Wolf provides a variety of prayers to help jump-start these sacred conversations. What follows below is an adaptation from the book:

### A New Beginning

With the beginning of the new secular year comes an opportunity for a fresh start. Reciting a prayer at this time is a way of reminding us of the changes we need to make to reach our goals.

### A Prayer for the New Year

I'm good at making resolutions, God. But I'm not very good at keeping them.  
There are so many goals I'd like to achieve. So many changes I'd like to make.

I pray to You, tonight, God, for strength.

I want to live a meaningful life, God, I want to comprehend my true promise.

I want to understand why You have put me here.

Help me to see, God.

Show me the person I have the potential to become.

Let me find my passion, God.

Teach me to resist temptation, to conquer self-destructive habits, to overcome selfishness and pettiness.

Give me the humility and the courage to repair relationships that pride has destroyed.

Show me how I can bring hope and healing to the world.

Let this be a good year, God.

A year of health, a year of blessing, a year of love, a year of peace. Amen

## Refuat Hanefesh רפואת הנפש A Service for the Healing of the Soul

Many of us struggle with burdens too difficult to bear alone. Loneliness, fear, pain, physical illness, grief, loss and despair weigh heavily on our lives. Our faith is tested and our ability to cope diminishes. This service is designed for individuals who are in need, as well as for caregivers, such as nurses, doctors, social workers and family members.

The next Healing Service will  
take place on Tuesday,  
February 10th at 7:30pm in the  
Temple Sholom Chapel.

ESSENTIAL ADVICE FOR LIVING AN  
HONORABLE, ETHICAL, HONEST LIFE

BY JOSEPH TELUSHKIN

## In Our Temple Family

### Feasting Planning...It's That Time Again

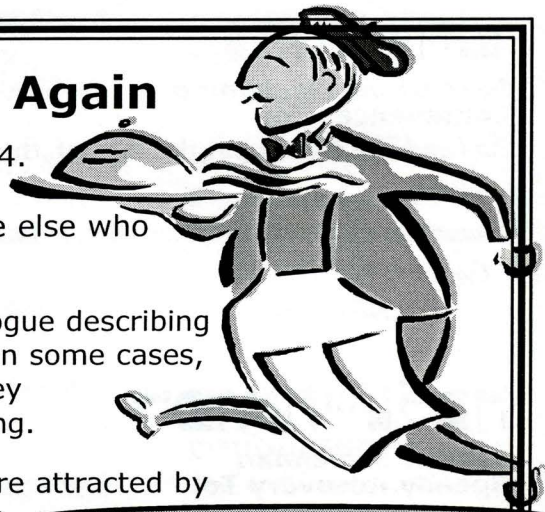

It's time to start planning for F<sup>3</sup> (FEASTING FOR FUNds) '04. Feasting has become our Temple family's signature social event of the year. For our new family members and anyone else who might not know, here's how it works:

~ In March, every Temple family member will receive a catalogue describing all the sumptuous Feastings at Temple members' homes, (or in some cases, on their boat!). The date, the maximum number of guests they can accommodate and the location are also included in the listing.

~ Choose the feasting you would like to attend; maybe you are attracted by the description of the feast or maybe it is at a home you have always wanted to see or perhaps you want to spend time with the hosts.

~ You pay \$50 a head and have a spectacular experience, a tax receipt and probably make new friends. Sounds good? It is!!

At this time, we are accepting hosts. The Feasting season runs from April 24th until June 19th 2004. We will only be scheduling one Feasting per Saturday and Sunday. Lots of creativity is encouraged. If you are interested in being a host, or would like to learn more about what is entailed, please contact Bill Kaplan (604) 734-5867, bill.kaplan@blakes.com or John Henry (604) 438-4753, jhenry@uniglobetravel.com

## "The Return of the Tacky Partie"

Back by popular demand... Save this Date...

### Saturday Feb 21st, 2004

~ \$19.64/person + Schul Tax, makes it 19.98  
(OK, OK - \$20.00)

~ \$144.00 for a table of eight

~ Good Fun, Good Music, Good Food

Call the office for tickets and to reserve a table!

Temple Sholom Sisterhood is a member of the Women of Reform Judaism, an international organization of Sisterhoods from Reform congregations around the world. Our Sisterhood is a member of District 24 which in addition to BC encompasses Arizona, California, Idaho, Nevada, New Mexico, Oregon, Utah, Washington, Hawaii and El Paso, Texas.

During the 2 year term of office of every Sisterhood the district holds a conference, usually in California, so that all members will have an opportunity to gather and worship together, share information, learn about new programs and attend workshops to develop leadership skills. The next conference will be in November of 2004 and Temple Sholom Sisterhood will be there!

## The Next Sisterhood General Meeting

Is on Tuesday, January 6th at the home of Gayda Coblin at 6:30 pm. Everyone is welcome to attend, but please contact Marie Henry if you wish to do so as this is a special meeting.

## Book and a Bagel

Wednesday, January 14th, 6:30pm  
at the Home of Iris Dayson

This event is very popular and may have to be limited due to space, so please call the Temple office to let us know if you will be attending (or email [sisterhood@templesholom.ca](mailto:sisterhood@templesholom.ca)) so that we can know how many people to prepare for. Please, no unreserved arrivals as we may not be able to accommodate you.

dinner, come just for the show -  
but do come and share some  
time with everyone. Details  
will be forthcoming in the  
next Shofar or contact  
Marian Dewitt.**
