

Monday

Wendy Darling

Just a line to tell you I love you so very much it hurts. Well beloved it won't be long now. I have not been accepted into the interim army therefore my discharge will be coming through very shortly. So don't I repeat don't rent the house, because in the next month or at the longest 6 weeks we will be wanting it. However I will know more tomorrow or the next day & will phone

you at Eliza's house about
7. There is no doubt at
all about the discharge
in the immediate future
but the ^{exact} date is still
somewhat in doubt &
tomorrow should be final
Can mother look after
the children if you
send them to school
there I suppose you
will have to stay an
extra day or so to
look after that but
as I say in the next
day or so I'll be
able to give you a

definite ~~with~~ answer as
 to date will phone. You
 see sometimes I know
 from something. I'm
 going to see Li & Skilla
 this evening for a
 while. Then to bed
 early again for a change.
 Saw Esther yesterday
 Tony is in ~~the~~ Chicago
 nothing else at the
 moment. I adore you
 my precious God Bless
 you my darling I love
 you. Love to everybody
 I love you
