

9th March/42

Dearest Darling

Well here I am in Regina
arrived all safe & sound after a
very uneventful trip It was
snowing in the Rockies, so we
didn't see much of the mountains
I also didn't write any letters
on the train

The weather here is cold
(I've been here 3 hrs so I am an
authority on the weather) but it
doesn't seem much colder than
Victoria, it's cloudy too

I'm at the Empire hotel
I've taken a room for a week at
a time it will give me a chance
to look around in the meantime
The population of Regina is about
65000 they tell me.

Just for luck I left
all my undershirts in Victoria
although I didn't seem to have left

anything else.

I know one of the men here and 2 of the officers so it won't be too bad.

I'm going to look around this afternoon to see Mrs. Berner and also Goldman and buy an undershirt.

How is your cold Is it all better by now, please excuse the writing but my pens don't seem to work very well here they are flooding all over the place.

Tell Mother Col. Curmy sends her his regards & so do I

Give my love to the children can't wait with hugs & kisses.

also to you my beloved many happy returns on your birthday and God Bless you. I hope it won't be too long until we are together
