

April 17/33

Dear Harry and Supt

Many thanks to you  
for your lovely gift.

Das is just what  
we wanted, and  
they are just the  
kind I like.

I love it I want  
to cook yet.

Dear Ralph has been  
resigned to going on a  
strict diet because  
he has no confidence

in my ability to cook

Please drop a line  
once in a while and

if you can visit  
in Victoria we will  
surely be glad to  
see you and I don't  
mean just maybe

Hope your mother is well

now Please give  
her my love. Friendliest  
greetings to the rest of  
the family. Love from  
Anne and Paul.
