Nov. 6/41

Minutes of an Extraordinary General Meeting
of the members of the Congregation, The Emanu-El
held at the Vesky room of the Congregation
on Thursday, Nov 6-11 1941 at 8 P.M.

Present Mr. A.E. Alexander President. Messrs M. Wodak,
I. Waxlock, Dr. D. Berman (Mr. David Secretary)
S.E. Levy, Treasurer & a large number of the
members of the Congregation.

Before calling the meeting to order Mr. Alexander
requested that all present stand in silence for
one minute in memory of the late Rabbi
Marcus Berner. After the minute of silence had
elapsed, he called the meeting to order & asked
Mr. David to read the minutes of the last
general meeting which was read & adopted.
Mr. Alexander delivered a stirring address
in which he pointed out the very poor attendance
at the Friday night services. He stated that
as things were at present it is most disappointing
to come to the services & find five or six men
& a dozen women. He appealed to the members
to try & attend these services in full force.
In these troublous times it should be the duty
of every Jew & Jewess to unite the Congregation
& attending the services is of the utmost
importance. He also reminded the members
that when he accepted the Presidency of the
congregation, he was urged that our primary
objective should be the appointment of a
competent modern Rabbi & that members
would have to subscribe generously so that this
objective be realized. He then informed the meeting
that considerable correspondence was carried on by
him with a number of prospective Rabbis
& that we were now in a position (if the requisite
money were available) to appoint an able Rabbi.
He also reported to the meeting that he & his committee
called on practically all the members of the

congregation & obtained verbal promises for approximately \$2200. & appealed to the members to confirm the promises by the signing of pledge cards.

Pledge cards were then ~~distributed~~ ^{distributed} to every member & the response was gratifying. A sum of 1300.- was pledged. Mr. Alexander then thanked everyone for their support & stated that in order to complete this business, his committee would call on those who were not present & have them sign the pledge cards.

Mr. H. L. Salmon addressed the meeting stating that it was most gratifying to see that the officers were so energetic & hoped that their efforts would be crowned with success.

Mr. Ed Mallett, expressed his pleasure at finding such a good attendance & put forward the suggestion that a joint meeting of the congregation & B'nai B'rith Lodge members & Ladies Auxiliaries should be held once a month. After a lengthy discussion, this suggestion was accepted favorably by the meeting.

Mr. Kramer expressed disappointment that meetings of the congregation were so few & far between & suggested that the officers call the cong. together as often as possible.

Mr. K. Glazen remarked that a Rabbi who ^{will} conduct the services on modern lines, mostly in the English language, should be engaged, so that the members who are not Hebrew scholars could follow the services more intelligently. His remarks met with the universal approval of the meeting.

In reply to Mr. Glazen's remarks, it was stated by the secretary Mr. Varod that for the last 6 or 7 months the services are conducted a great deal in English & on more modern lines & the members were reminded to attend the special Remembrance Day services which will be held on Sunday Nov. 9th.

Mr. Alexander thanked the members for their attendance & support & stated that as soon his Committee has found a suitable applicant he would call a general meeting & place all the facts for the approval of the members.

The Annual General meeting of the Congregation Emanuel was held in the Vestry Room on Wednesday, March 3rd 1943 at 8 p.m.

Present. J. Waxstok Honey, President, J. M. Kodes, Honey, Vice President Ed. Malick, President, J. Harod vice president, A. Bernard Secretary, S. E. Levy, Treasurer, H. Kramer Committee Mess. Shulka & H. J. Malick - Widdows Rear & Rows.

The minutes of the last meeting were read & confirmed. The President deplored the lack of interest as shown by the poor attendance. He drew attention also to the lack of interest in our Friday night services, only one or two members attending. He pointed out that there was a good attendance of service men - 15 to 20 men appearing every Friday night and stated that but for this fact the Synagogue would have to shut down. It was most discouraging particularly in times like these and he hoped that members would make an effort to turn up in larger numbers if only as an encouragement to the service men.

Mr Harod supported the President and stated that he was most discouraged by the lack of interest and would have given up conducting services but for the fact that service men were attending & would continue to do so as long as they were present.

The President called on the Treasurer to report on the financial position. Mr Levy stated that the statement of accounts for the year ending 31st December 1942 was sent out to all members and was self explanatory but he was prepared to answer any questions regarding same.

Mr Kramer inquired if all the pledges for donations made last year were honoured. He was informed that two pledges were not fully paid. Mr Rose still owed half the amount promised viz \$60.- Mr Levy informed the meeting that he had telephoned Mr Rose regarding this balance and was informed that he had doubled his original pledge of \$60.- on the condition that Rabbi Levy start a religious study class & as this was not done he felt he should not be called upon to pay. The second pledge not paid was a post-dated cheque given by Mr A. E. Alexander for \$50.- balance of pledge for \$150.- on which he stopped

payment. The reason given for the stoppage was that he had already paid \$100 & felt that as the Rabbi had left there was no necessity for paying the balance and all efforts on the part of the Committee to get Mr. Alexander's change in mind were of no avail.

A lengthy discussion ensued the consensus of opinion being that as the greater majority of the pledges had been honoured it would be most unfair for the two above mentioned pledges not being paid & that means had to be found to make them pay.

Mr. H. I. Mallett then proposed that

"The Committee be authorized to write to all members who had not honoured their pledges requesting payment within thirty days & at the end of that period if they still refused to pay that they would be suspended from membership of the Synagogue."

This was seconded by Mr. Kramer & passed unanimously.

Mrs. Bear informed the meeting that she had heard some criticism by members that the pledges were given to enable the congregation pay for the services of Rabbi Levy and as this was no longer necessary a pro-rata expense should be made. The President pointed out that this pro-rata return would be so insignificant after all the expenses had been taken into acc that it would not be worth the trouble. Mr. H. I. Mallett supported the President and a motion to refund pro-rata was laid over for the time being.

The Chairman read a statement detailing estimated expenditure for the year 1943 showing a deficit of \$1234.- and asked for suggestions as to how this amount be raised and what dues should be charged. He pointed out that the congregation had so few members who paid full dues that it would be very difficult to raise sufficient funds to carry on. Mr. H. I. Mallett suggested that members be assessed according to their capacity to pay as was done in all communities and this suggestion met with the approval of the meeting. Mr. Mallett then proposed that

"The Committee be authorized to appoint a Sub-Committee to assess members of the community the fees they are to pay for the current year."

This was seconded by Mr. Kramer & passed unanimously.

A General Meeting of Members of the Congregation Synagogue was held at the Vestry Room of the Synagogue on Monday May 3rd 1943 at 8 pm.

Present. J. Waxlock Honorary President I.M. Nodak Honorary Vice President.
 E. Mallet President, J. Harold Vice President Mrs. Bean Treasurer
 S.E. Leary Secretary - Dr. Berman, Mrs. Carr, Mrs. Rose, Mr. Aar.
 & H.I. Mallet.

The President called the meeting to order and asked the Secretary to read the minutes of the last meeting which was read & confirmed.

The President informed the meeting that strong exception was taken by Mr. Rose to the letter which was sent to him as passed at the last meeting as also to Mr. Alexander & Mr. Press regarding non-payment of pledges made last year in connection with Rabbi Leary's appointment. He asked the Secretary to read said letter also Mr. Rose's reply thereto. This was done and Mrs. Rose addressed the meeting. She stated that both she & her husband were very upset to receive this letter. They had always met their pledges and in this case Mr. Rose had made the pledge on the condition that a religious class be formed by Rabbi Leary, which was not done. In these circumstances they felt justified in not

paying the balance of the pledge.

A very heated discussion ensued everyone participating and continued for a long time without any headway being made. Mr Harold called for order and addressed the meeting. He deprecated the proceedings and stated that we should all work together and help one another in these times particularly instead of quarrelling etc. He suggested that in view of the exception taken by Mr Rose we should try to settle the matter amicably and suggested that a sub-committee be formed to settle the matter. This suggestion met with the approval of the meeting and a resolution was proposed by Mr Waxstuck & seconded by Dr Berman as follows:-

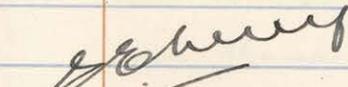

"Resolved that a sub-committee consisting of Messrs.

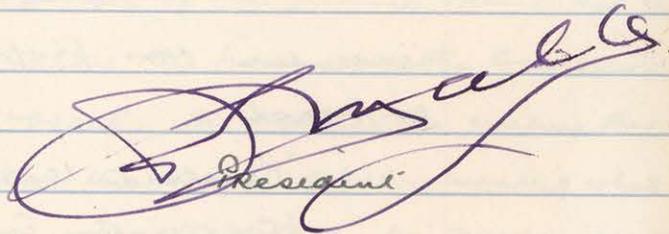

"Harold, Hodek & Carr call on Mr Rose to settle the matter

"amicably."

This was put to the meeting & passed unanimously.

The President called the meeting to order and introduced Messrs. Freeman Ablovitz & Zimmerman, as representing the Vancouver Committee of the Canadian Jewish Congress.

He explained that these gentlemen were here with a regard to the formation of a Jewish service men's centre here and an offer to them, subject to confirmation by the meeting, of Blanshard Hall for the purpose. He then called on Mr Freeman to address the meeting.

Mr Freeman detailed the activities of the Congress in all its phases and particularly in its work for the welfare of Jewish service men. Messrs Abelson & Zimmerman also spoke of the great success these centres of which Congress had established quite a few, were enjoying. Particular attention was drawn to the centre in Vancouver which was having an unprecedented success & was growing tremendously after a small beginning & how much the servicemen appreciated the place.

A General Meeting of Members of the Congregation Emmanuel was held in the Vestry Room of the Synagogue, Blausland St on Wednesday Nov 3rd, 1943 at 8 pm.

Present J. Waxstok Stony President.

Ed. Mallek (Chairman) ^{President} J. Harold, vice President, Mrs A. Bean Treasurer, S.E. Kelly Secretary & Dr. Berman.

Mr & Mrs Carr, Mr & Mrs Ross, Mr & Mrs Loeb, Mr & Mrs Boas, Mrs. Harold, Kramer, Berman, Eva Kelly, J. Mallek, Green, Mrs Cohen & Mr & Mrs [unclear]

The President called the meeting to order and welcomed Mr & Mrs Loeb into the Community.

He expressed the sincere regrets of the Committee at the passing of Mr. Greensfelder stating that Mr Greensfelder had given valuable services to the Community and in respect to his memory he asked the meeting to stand up & observe one minute's silence.

Mr Mallek then reported on the state of the finances, stating that he had worked very hard to improve the finances of the Congregation and thanked all for their support. He informed the meeting that by the formation of the Centre the income of \$25.- weekly which we were getting had now ceased. He stated that the Cemetery would require the expenditure of considerable sums of money for repairs and maintenance. Furthermore the Synagogue building and the Vestry Room needed repairs badly and as soon as possible he proposed to have these repairs carried out. The balances in hand at date were - Synagogue a/c Credit \$1534.16 and Cemetery a/c Credit \$500.- The Cemetery a/c was reported by the payment from the Estate of the late Benjamin Press which he had considerable difficulty in obtaining. He called the attention of the members of the Community to the space at present available for burial purposes was very small and necessitated the clearance of the area in front at a not very distant future which would also entail expenditure of large sums of money.

Mr Harold expressed appreciation of the work being done by the President on behalf of the members. He stated the President was rendering the community a great service & from his own personal knowledge he knew that Mr Mallek was devoting considerable time & labour in the affairs of the Community. He proposed a vote of thanks, confidence and thanks to the President for his good work which was seconded by Mr Loeb and carried.

my acclamation. The President thanked Mr. Harad and the members for their kind expression.

Mr. Waxlock then requested the views of the meeting in respect to the burial fees & expenses for the late Mr. Greenfelder as to whether or not an account should be sent to his relatives in Seattle. A long discussion ensued opinion being divided by reason of the good work done by him. Mr. Harad stated that Jewish tradition called for payment of burial costs & gave it as his opinion that a bill should be sent his relatives. Mr. Waxlock endorsed these views and strongly advocated the sending of an account. After further discussion Mr. Alexander proposed & Mr. Boas seconded that a bill for \$257.50 (\$7.50 for shroud) be sent to the relatives of the late Mr. Greenfelder. This was put to the vote and carried unanimously.

A suggestion by Mr. Alexander that the money lying at the credit of the Synagogue be utilized for the paying off of the mortgage was the subject of considerable discussion. The President stated that at the moment it would be very inadvisable to pay off the mortgage & called the meeting's attention to his earlier remarks about the possible expenditure of great deal of money for repairs to the Synagogue & Cemetery. He was strongly in favor of retaining the mortgage for a while longer until we saw clear as to what expenditure we may be called upon to face. A motion proposed by Mr. Alexander & seconded by Mr. Rose instructing the Committee to pay off the mortgage was put to the vote & was defeated by a large majority.

The question of Mr. Harad's honorarium for his services during the High Holidays was brought up and after a little discussion it was unanimously decided to send him a cheque for \$150. Mr. Harad thanked the members and stated he was very discouraged by the poor attendance on Friday night Services and again appealed to the Congregation to make all efforts to turn out. Mr. Waxlock endorsed Mr. Harad's remarks.

The President then adjourned the meeting of the program being made in getting the Centre

ready. The renovations, he said, were practically completed & we were awaiting the furniture which the Congress Committee promised would be forthcoming very soon. He requested the Co-operation of the ladies Auxiliary in making the Centre presentable by pulling up drapes etc. He stated the amount provided by the Congress was used up and there would be no further money forthcoming. Mrs. Mallett suggested that Mrs. Muttall be asked to take charge of the Centre particularly for the opening event as she would do a good job & was always willing & ready to help. She also suggested that Mrs. Kenney be approached with a view to assisting. The meeting approved of the suggestions, and voted the appointment of Mrs. Bean on the Congress Committee.

The meeting terminated at 10.50 p.m.

A general meeting of the members of Congregation Anshei Et was held in the Vestry Room on Wednesday ^{May 17th} ~~Oct 4th~~ 1944 at 8 pm.

Present: E. Mallett, President, G. Carr ^{Treasurer} Secretary, S. E. Levy, ^{Secretary} ~~Treasurer~~ - Mrs. Bean, Mrs. Boas & ~~Boas~~ & A. E. Alexander. Mr. & Mrs. Loeb, Mrs. E. Levy, Mrs. Nuttall, Mr. & Mrs. Lancaster, Mrs. Green, Carr, Green, Kerman, Mallett & Mr. H. Kramer.

Minutes of the Annual General Meeting held on January 10th were read and confirmed.

Religious Education The President called upon Mrs. Green to report on this matter. Mrs. Green stated that she had written the Canadian Jewish Congress in this connection and they had sent her a long list of books which however were not suitable for young children. She then wrote Rabbi Levine in Seattle who sent two books advising he would send other books in due course. Nothing was done regarding teaching the children.

A long discussion ensued regarding teaching of Hebrew also Sunday classes. The question of bringing children to the Synagogue on Friday nights to familiarize them with the prayers was brought up but dropped as impracticable. A suggestion that Mr. Harod in conjunction with the Service Chaplain be asked to devise some programme for holding religious classes on Sundays was agreed upon and the President was authorized to approach Mr. Harod and request him to hold religious classes on Sunday mornings, if practicable, at a maximum cost of \$20- monthly.

The Treasurer was instructed to remit Rabbi Levine the cost of the books.

The President informed the members that collections to date amounted to only \$160 - far short of what he had expected. He stated a number of members had not sent in their

30
contributions although he had contacted them two or three times. He had hoped that we would get a sufficient amount to pay off the mortgage and make this amount was forthcoming he was against paying off the mortgage. In the meantime he was holding the cheques already donated and would only use them for paying off the mortgage. A prolonged discussion ensued and a proposal that the balance in our credit from last year be utilized to make up the difference for the repayment of the mortgage was defeated.

Mrs Bean offered to approach those members who had not contributed if the mortgage was paid off first as it would make it easier for her to approach them but this did not meet with favour. Mr Kramer was strongly in favour of paying off the mortgage first and approach members later should funds be required to carry on the Synagogue & Cemetery. He criticized the Committee for doing nothing about getting a Rabbi whilst in his opinion was of almost importance. The President stated that he did not think our small community could support a Rabbi - contributions were just about sufficient to pay the Synagogue & Cemetery Expenses, and reminded the members that certain repairs to the Synagogue had to be done and reiterated his stand that the mortgage be paid off from present year contributions only.

Further prolonged & heated discussion took place and a proposal by Mr Lancaster seconded by Mrs Bean that the mortgage be paid off on or before June 30th next irrespective of the amount collected was passed by a majority vote. This would give Mrs Bean time to call on all who have not contributed yet and try and raise the balance.

The President informed the meeting that Mr Plattner was still sick and in hospital and Mr. Neuman who was seriously ill had improved. It was unanimously resolved that letters be sent the above gentlemen expressing hope for their speedy recovery. The meeting terminated at 10.15 pm

CHAIRMAN.

A General meeting of the members of the Congregation Emmanuel was held immediately following the Annual Renewal meeting to discuss Victoria Congreg Centre.

Present see Page 127.

Mr E. Mallett took the Chair and called the meeting to order. He detailed to members the activities of the Canadian Jewish Congress which consisted chiefly of bringing ^{Jewish} refugees to Canada, supporting the Bnai B'rith in combatting anti-semitism and educating Jewish children, particularly in the rural districts.

Since the opening of the Centre attendance of Service men was very gratifying and he spoke of the valuable and able work which Mrs. Kuttale & Mrs. Loeb were doing, and expressed his grateful thanks to them on behalf of the Community. He asked for the cooperation of the ladies of our Community in carrying out the work of operating the Centre.

Mr Green spoke of the splendid work the Centre was doing and stressed the necessity of obtaining the services of paid organizers for the Centre. He informed members that he had attended a meeting of the B.C. Branch of the Canadian Jewish Congress in Vancouver and gave them a resume of the work we were doing here.

A general discussion took place and various suggestions to improve and enlarge the activities of the Centre were considered. The consensus of opinion was that the services of a paid Secretary and organizer was essential for the smooth working of the Centre. It was unanimously decided on the proposal of Mr. M. Green seconded by Mr. G. Carr that a letter be sent to the C. J. C. ^{Branch} in Vancouver requesting them to obtain a grant of a further \$100 a month for the proper operation of the Centre.

A letter from the Victoria Hadassah Chapter requesting the use of the Hall for a rummage sale was read. Mr. Mallett stated that permission to use the Centre had to be obtained from Vancouver and that he would write asking for this permission.

The meeting terminated 10.50 pm.

A General Meeting of the members of Congregation Emanuel was held in the Vestry Room on Wednesday, October 4th 1944 at 8 pm.

Present, E. Mallett President, G. Carr Treasurer, S.E. Levey Secretary, Mesdames Bean, Boas, Rose and A.E. Alexander.

Mrs Mrs Loeb, Mrs. E. Levey, Mrs. Mallett, Mrs. E. Mallett & H. J. Mallett.

The meeting was called to order by the President.

He advised the members of the appointment of Rev. Mervort for the High Holidays at a remuneration of \$250 and requested their confirmation which was unanimously given on the motion of S.E. Levey seconded by H. J. Mallett.

The President informed the members that the mortgage on Blauzhard Place of \$1200 had been duly paid off.

Sunday School.

The President thanked the Ladies Auxiliary for their good work in connection with the Sunday School and regretted to advise the members that Mr Blank who had so kindly carried on the work & was extremely popular with everyone had been called up for military service and had to leave. He left the matter of the appointment of a successor to the ladies.

Honourarium for Mr Karod for his services during the High Holidays was brought up & on the motion of Mr G. Carr seconded by Mrs Rose it was unanimously agreed to pay him \$50.- and the Treasurer was instructed to send out a cheque to Mr Karod.

The Treasurer presented a financial statement made up to Sept 30th showing a credit balance of \$203.29 with outstanding expenditure estimated at \$737.-

The President advised the members that Mrs. H. J. Mallett had kindly taken up the matter of clearing up of the Cemetery which was in a deplorable condition. The fence was fixed up and a great deal of improvement was noticeable. There was still a lot of work to be done and although

Mrs Mallett had collected privately for the ^{Cost of} work done, the amount in hand was not sufficient to complete same and asked for the approval of members to continue the work and payment for same. On the proposal of Mr Levy seconded by Mrs Bean the following resolution was passed unanimously.

"That the work of clearing up the Cemetery be carried out and that ~~that~~ ^{that} ~~needed~~ any reasonable expenditure necessary be paid by the Congregation.

The President explained at great length the deplorable state of the graves. Most of the older graves were in a terrible state of disrepair and with the records incomplete something had to be done. Furthermore all the cleared land available for graves were rocky & could not be utilized & a good part of the remaining land would have to be cleared. For a long time past very little money was collected for the cemetery and hence no work was done. He proposed that a Trust Fund of \$5000 be formed to ensure cemetery maintenance for all time.

A long discussion ensued in which all present participated & various schemes for raising funds were gone into. Mrs. Bean proposed & Mr Carr seconded that the President be authorized to appoint a sub-committee to go into ways & means for raising a Trust fund for the Cemetery and to carry out its findings. This was passed unanimously.

This meeting terminated at 10.15 pm.

Mr Martin Boas.

Mr Walker reported on the Sunday School, regretting nothing had been done although everyone was trying to start one. Twice we had started one but the helpers were transferred & we could not get others to start it again. He advised receipt of a letter from Mr. Ben Galle, Vancouver offering his services as Sunday School teacher also to act as Cantor. After some discussion Mr Galle's offer was dropped. A suggestion was made ^{for} getting a graduate girl from the Winnipeg Orphanage who would be competent to teach Sunday School. Mr Walker pointed out that teaching Sunday School would be a part time job & the Community would have to find her work as well as a home in a Jewish family. The question of work he stated, would be very simple but housing here was another matter. He asked the members for their views. The suggestion was very favourably received but the housing and responsibility which would devolve on the Community was found difficult. A long discussion ensued but no progress towards solving this matter was made. Eventually the matter was left in the hands of the President for investigation after which he was to report to the members.

Mr Carr informed the meeting that as he would be leaving Victoria for 3 months he requested appointment of a Treasurer in his stead. Mr. S. E. Katz was unanimously elected as Treasurer during Mr Carr's absence.

The meeting terminated at ^{5.30} 8.15 pm

A General meeting of members of the Congregation Emanuel was held immediately following the above meeting to discuss Canadian Jewish Congress' Servicemen's Centre

Present as above.

Mr Walker reported that by reason of transfer from

Victoria, members of the armed forces had decreased considerably resulting in a marked falling off in the attendance at the Centre. He also reported a decrease in the attendance on Sunday nights despite the cinema show which was being put up and suggested that we close the Centre four nights a week - Monday to Thursday but leave the reading & writing room open for any member of the forces who cared to use same. He asked the meeting for its views.

A general discussion took place. The consensus of opinion was in favour of closing the Centre four nights a week as suggested by the President but that we carry on Sunday night entertainments for a few weeks longer, and watch results, and if there was no improvement in attendance then reopen the matter for consideration.

A suggestion that the Centre be rented and the use of the Vestry Room of the Synagogue be put at the disposal of the few Servicemen that attended was shelved for the time being. After further discussion the meeting unanimously decided to close the Centre for four nights a week, Monday to Thursday but carry on the Sunday night entertainments for another month or 6 weeks & if there was no improvement ~~to~~ in attendance the President was authorized to give up the entertainment until such time as more Servicemen were transferred here.

The President pointed out that we were having a lot of trouble with the electrical wiring and the plumbing at the Centre & both these were condemned by the Contractor who had examined them. He further stated the cost of changing the wiring & the plumbing would ~~cost~~ ^{be} around \$150 each and requested instructions regarding them.

The meeting agreed that this work had to be done and on the motion of Mr A. E. Alexander seconded by Mr Carr the President was authorized to get estimates and have the work carried out as cheaply as possible.

The meeting terminated at 6.10 pm.

The Annual General meeting of the members of Congregation
Emanuel El was held in the Vestry Room of the Synagogue on
Wednesday, February 21st 1945 at 8 pm.

Present. Mr D. Waxstock - Stony - Chairman

Mr E. Mallett President, S.E. Berg, Secy, & actg Treasurer. Misses
Bean & Rose.

Mr & Mrs Harad, Mr & Mrs Stekler, Mrs E. Levy, Mrs. Sures, Miss
Green, Webb & Lyons.

The Secretary read the notice convening the meeting.

The President welcomed our Winnipeg visitors, Mr & Mrs Stekler,
Mrs Sures & Mr Lyons.

Mr Mallett reported on the activities of the past year, with
community affairs going smoothly. The cleaning up of the Cemetery
was being carried out under the supervision of Mrs. H.I. Mallett
& good progress was being made. The Centre continued to attract
the few summer students here & everything possible was being
done to make things pleasant for the boys. Electrical & Plumbing
repairs to the Centre were in the hands of contractors & progressing
satisfactorily.

With regard to organizing a Sunday School, Mr Mallett, regretted
no progress could be reported despite all efforts to get classes going.

The suggestion made at the last meeting of investigating the
possibility of bringing a Gradual girl from the Winnipeg
Orphanage was dropped for the time being as there was
no one available. Before closing Mr Mallett regretted to

report the sickness of Mrs Koch, Mr. Rose & Mr. Hodes &
Mr. Newman and on the suggestion of Mr Waxstock ^{it was} ~~that~~ approved
that letters be sent to all above wishing them a speedy recovery.

Mr Waxstock spoke at length on the question of religious
Education which he considered of paramount importance. He
requested members to concentrate all their efforts to organizing
the school & requested the President drop all other matters and
do his utmost to build up a fund so that a teacher be
brought over for this purpose.

Mr Stekler supported Mr Waxstock and said religious Education
of children came before everything else. He thought that
if a Rabbi was appointed it would focus all activities around
the Synagogue & make the collection of funds easier.

The President in reply stated that he was very conscious that

a Sunday School was an urgent necessity but he wanted once for all to settle the worry of having funds to look after the cemetery, at the present time it was impossible to get a Rabbi or teacher - he hoped this was would soon be over as his would release suitable men from the Service, also he wanted to rent the Centre which would help pay expenses for running the Synagogue after which the problem of getting a Rabbi could be tackled with more chance of success.

The Treasurer then read the financial report for the year ending 31st Dec 1944 & on the proposal of Mr Green seconded by Mr Loeb the meeting unanimously adopted the accounts. Mrs Rose suggested the mimeographed copies of the Statement of Aets be sent to all members in future.

An offer from Mr St. L. Salmon of Stretford of the Hebrew Alphabet was gratefully accepted by the meeting & the Secretary was instructed to write & thank Mr Salmon for same. Mrs Rose enquired if the Synagogue records which were of great importance, were being kept in a safe place. Mr Mallett said they were but was very anxious to get a fireproof safe & asked members if anyone had one. Mr Green advised he had an old safe which was fireproof & that he would be glad to donate same to the Community. This offer was gratefully accepted.

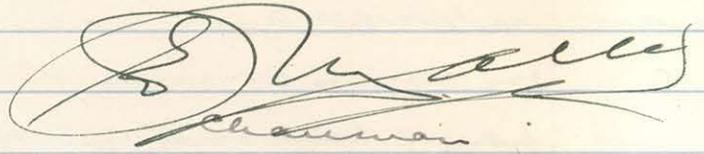

Mr Harold advised the meeting that he had again to express his regrets at the lack of interest shown by the Community in the Friday night services. Only the hope that there would be a change had kept him from requesting and requesting members to please try and attend. He also spoke in favour of Sunday School & offered to help organise one if the Ladies would take a hand & help teach classes. This would not be difficult as Jewish History could be read to the classes which he was sure the children would find very interesting. The President thanked Mr Harold & said he would support him to the utmost.

Mr Green stated that the fact our Community was a very small one was being lost sight of. He pointed out our collections each year were just about sufficient to cover expenses & how much more difficult it would be to raise funds for a Rabbi's or Teacher's Salary. He thought that to ask the whole Community to pay for a teacher for the few children

in our community was not fair & equitable.

As the hour was getting late the election of officers was held over until the next meeting.

The meeting terminated at 10.15 pm

Minutes of proceedings of a meeting of members of the Canadian Jewish Congress held in the Vestry Room of the Synagogue, Broadway St on Wednesday, June 13th 1948 at 8 pm.

Present. Mr Ed Mallett President, Selwyn Secretary & Treasurer.
Mr & Mrs ^{Mr & Mrs} Fruegold
Mr & Mrs Carr, Mr & Mrs Harold, Mrs Mrs. B. Des, Green, Loeb & Mullaikand
Mr. J. Waxstock & Mr A. Shulka.

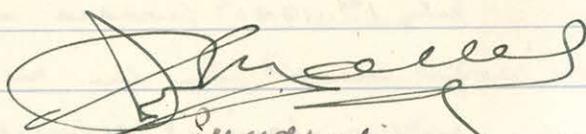

Mr Mallett informed the meeting that most of the Servicemen have been transferred from this area and the attendance at the Centre very small & the purpose of this meeting was to consider the advisability of closing the Centre. Great difficulty was also being experienced in getting the ladies to work there. He read letters from C.J.C. B.C. Branch & Head Mrs Montreal (to whom he had put up the matter of closing the Centre) leaving the matter in the hands of the Victoria Committee to do what they considered fit. A long discussion ensued & the consensus of opinion was to close the Centre in view of present conditions. A suggestion was adopted that the Vestry Room be used as a Centre for the few servicemen who were here. Mr Mallett proposed to transfer some of the furniture from the Centre to the Vestry room also that we open the Vestry Room for use of servicemen 3 nights a week, Friday, Saturday & Sunday, & that refreshments be served free on Friday nights. The meeting decided to adopt Mr Mallett's suggestion and the matter of transferring furniture & the arrangements to look after the Centre was left in the hands of the ladies. It was decided to make the change after Sunday the 17th inst. Mr Waxstock offered to help purchase all the stuff required which was gratefully accepted.

The President thanked the ladies, particularly Mrs Mullaikand & Loeb for their untiring efforts in making the Centre the success that it was. Mr Waxstock associated himself with the President's remarks & stated that for nearly 2 years the ladies worked like Trojans & the Centre would have not succeeded but

for their efforts. He also thanked Mr. Mallett for his good work in organizing everything & shouldering the responsibilities and proposed that a letter of thanks be sent to all concerned.

Election of officers followed, Mr. Mallett being elected President & Mr. Levy Secy. Treasurer in the honor of Mr. G. Carr seconded by Mrs. Boas.

The meeting terminated at 9 pm.

Mr. Mrs. Carr, Mr. Mrs. Fungold, Mr. Mrs. Harold, Mrs. Boas, Mrs. Loeb & Mallett & Mr. Shustka

Mr. Mallett stated that the purpose of this meeting was to consider the financial state of the Synagogue. There was left in the treasury a sum of \$50.00 only and his preliminary efforts to make the annual collection were not very promising, most donors not being inclined to contribute their full amount. He advised members that money was needed urgently for a number of minor repairs, and the state of the exterior walls of the Synagogue was disgraceful. These should have been painted a long while ago but finances did not permit of this work being done but there was no deferring same any longer in the interest of preservation of the building. If a total collection this year was the same as last year's we would just about cover expenses & he sincerely hoped everyone would help generously.

Mr. Harold called attention to the appointment of a Cantor for the High Holidays which was well far distant & stated that a friend recommended a good Cantor in Vancouver who had not been engaged yet. He mentioned that he would be going to Vancouver shortly & offered to interview this gentleman to ascertain if he was qualified for the job. After a letter

discussion as to the remuneration to be offered him, the meeting authorized the board to interview the Cantor & if he considered the man satisfactory to engage him at a remuneration of \$300 - If this figure was not satisfactory, the board should refer the matter to the Committee.

The President read a letter from the Evangelistic Temple offering to rent the Centre for \$60. - a month from July 1st 1945 provided we redecorated the parl hall, and added for views from the members. Mr Waxstock considered the rental fair & recommended acceptance provided we stipulated that 6 months notice of termination of tenancy be given by either party. Mr Waxstock views were favourably considered by the members and it was decided to accept the offer. Mr Wexler thought that a ruling by the Rental Board be first obtained before closing the deal & requested authority to act in this connection and Mr Waxstock proposed & Mr Carr seconded that the President be authorized to see the Rental Board and get their ruling or approval of the rent of \$60. - a month for Klanshall Hall & if obtained to enter into an agreement with the Evangelistic Temple to rent them the premises on a basis of 6 months notice on either side for termination of occupancy. This was passed unanimously.

Mrs. Carr read a letter from Mr A. S. Alexander advising that a Hebrew teacher was available in Vancouver who would be willing to come to Victoria once a week for a few hours to teach Hebrew classes at a salary of \$100 - monthly. The meeting decided that this would not be satisfactory & refused the offer.

In view of the small attendance the election of officers for the current year was deferred until the next meeting.

The meeting terminated at 10.20 pm

Mr & Mrs. Harod, Mr & Mrs Feingold, Mesdames Rose & Mallett
and Mr Baron.

Minutes of the last meeting was read & confirmed.

Mr Mallett informed the members that Blandford Hall was rented
to Evangelistic Temple at a monthly rental of \$60.- after getting
the approval of the Rental Board as authorized at the last
meeting, also that we had paid them \$50 to cover cost of
painting the front hall as approved at the last meeting. The
lease called for termination by either side giving six months
notice.

Since the signing of the lease we were called
upon to repair the ceiling plaster which came down. We
had ^{this} trouble on a number of occasions, and we came to
an arrangement to pay for the material & the rental for
the labour. This cost us \$112.02, consisting of lath &
boards & he hoped that this ^{would} solve the trouble.

After some discussion the meeting approved of the foregoing.
Mrs Rose suggested the consideration by the Committee of
pulling down the bldg and erecting an apartment bldg
which would pay well in these days of housing shortage.
Mr Feingold also urged such consideration. The President
stated that such a proposition would entail much more
money than we could raise and suggested leaving this
in abeyance until conditions were more settled.

Mr Mallett pointed out that as owners of the bldg
we were liable for claims arising from any accidents
to ~~the~~ ^{by} ~~third~~ parties & requested authority for getting
a liability insurance. This was approved of by the
meeting on the proposal of Mr Harod seconded by Mr Baron.

The accounts were taken as read and
discussed by the meeting. Mrs Rose & Mr Harod
requested an explanation as to why Cemetery
Expenses for the year were charged to the Synagogue
& not the Cemetery. Mr Mallett stated that a

of a little over \$700 from the Cemetery etc when it was short & never paid same back & he thought that we should replace same & would continue doing so until same was liquidated. Mr. Mallek stated that the credit balance of \$456.85^{in Congreg etc} was the final one all expenses having been paid out & that he had written the Congreg for permission to transfer this balance to the Cemetery etc and hoped for approval of this. After a little discussion the accounts of the Synagogue & Congreg were approved by the meeting on the ~~proposal~~ ^{proposal} of Mr. Harold seconded by Mr. Leeb. The President stated that collections for Synagogue for 1940 ^{were} satisfactory all except 2 members paying their quota. A suggestion that letters be written these 2 members in an endeavour to collect the dues from them was approved.

Mr. Mallek welcomed the addition of Mr & Mrs Raymond Rose to our congregation & offered the Community's congratulations to the young couple. He hoped Mr. Rose would follow his father's footsteps and take an active part in Communal affairs.

The President regretfully informed the meeting that Mr. Heeman was very sick and little hope was held out for his recovery. Mr. Heeman has always been a staunch supporter of the Synagogue & suggested a letter be sent to Mrs. Heeman telling her how sorry we all were for her in her trouble. This was approved by the meeting.

The cessation of Friday night services was much regretted by the President the reason he thought being the success of our Community. He could not see how these services could be revived unless our members could be shaken out of their apathy. Mr. Harold said he regretted this situation more than anyone else and was very worried at the lack of interest shown by the Community. He had done everything he could to interest the members and had to give up when only 2 or 3 persons turned up. He hoped our Community would give this their very serious consideration and ~~make~~ ^{unite} in an endeavour to have the services started again which was everyone's responsibility. The only solution in his opinion was

getting a Rabbi and urged the Committee to give this their careful consideration.

The President agreed with Mr. Harold & stated that as hostilities were now over there was a possibility of getting a Rabbi with the demobilization of quite a few young Rabbis. With our small congregation it was next to impossible to raise enough funds for a Rabbi and everyone would have to shoulder the burden - the least we would have to pay a young Rabbi was \$2400 a year and he asked for comments by the members. A long discussion ensued with opinion unanimous that a Rabbi should be engaged and the President was authorized to make inquiries & write the Synagogue in the East & find out the possibility of getting a young man for our Congregation and place the results of his inquiries before the Congregation.

Mrs. Rose commented that one of the reasons of non-attendance on Friday nights was the discomfort of a cold synagogue - our present heating system was totally inadequate & if this was remedied more people would attend and urged the Committee to consider this question carefully and immediately install a more adequate system. A long discussion took place all present participating. Mr. Harold thought that a ~~heating~~ ^{heating} system within our means was possible and suggested this matter be investigated by the Committee. After further discussion the following resolution proposed by Mr. Harold & seconded by Mrs. Rose was passed unanimously.

- " Resolved that a Committee of 3 be appointed
- " to look into the matter of having a heating
- " system installed in the synagogue immediately,
- " with power to act at a price not to exceed
- " \$750 and that The President, Mrs. Rose
- " and Mr. Rose be appointed as this committee."

The President was authorized to write to Mr. Raymond Rose inviting him to join the Committee and empowered him to make the necessary arrangement with the bank to receive Mr. Rose.

The meeting terminated at 10.35 pm. with a hearty vote of thanks to the President for his untiring efforts on behalf of the Community.

Mr & Mrs Baron, Mr & Mrs Beloggs, Mr & Mrs Feingold, Mr & Mrs Seligman, Mr & Mrs Lancaster Mesdames Black, Green, Mallet, Loeb, R. Rose, Messrs. Arnott, Boas, Carr, Karod & Skulka.

The President called the meeting to order & asked the Secretary to read the minutes of the last meeting which were read & confirmed.

Mr Mallet expressed deep regret at Mr. Harry Newman's passing and called upon the members to stand up and observe a minute's silence in respect to his memory.

The President regretfully announced that Mrs. Eva Levy was seriously ill and in hospital and sincerely hoped she would be well again. He said that Mrs. Levy had been one of the mainstays of the Community for a great many years and one of its staunchest supporters.

The President welcomed Mr & Mrs Beloggs & Mr & Mrs Seligman introducing them to the members and asked them to make themselves at home and hoped they would take an active part in the meetings deliberations.

Referring to the possibility of getting a Rabbi for our community which he was asked to investigate at the last meeting Mr Mallet said he regretted to inform the members that it was practically impossible to get one at the present time. Communities all over America were competing with one another to get the demobilized Rabbinical students of Semenov, & we would have to wait until this demand was met as our small community could not compete.

MINUTES of a Meeting of Members of the Canadian Jewish Congress Victoria, B.C. held in the Vestry Room, Blanshard Street, on Wednesday April 10th 1946 at 8 p.m.

The following resolution, proposed by Mr. Loeb and seconded by Mr. Carr, was then put to the Meeting and passed unanimously :-

"Resolved that the balance of \$456.85 now standing to the credit of the Canadian Jewish Congress Victoria Servicemen's Centre in the Bank of Nova Scotia, Victoria, be transferred to the credit of Congregation Emanu-El Cemetary Fund."

to get one at the present time. Communities all over America were competing with one another to get the demobilized Rabbin & graduates of Seminars, & we would have to wait until this demand was met as our small community could not compete.

Mr Mallett reported on the sub-committee's investigation into the possibility of installing a heating system in the Synagogue. The committee had gone thoroughly into the matter with experts & contractors & were informed that the minimum cost would be \$1200 - plus cost of carpenter work and the result would be very doubtful. After some discussion it was decided to drop the matter.

The President suggested that elections of officers for ~~the year 1946~~ ¹⁹⁴⁶ which had been postponed so often be held at this stage of the meeting & thus leave the balance of the evening free for the discussion of other business. This was agreed to by the members and the following officers were elected for 1946.

President - Mr E. Mallett - on the motion of S.E. Levy seconded by Mr Loeb
 Vice President - Mr R. Loeb - S.E. Levy / Mr Harod
 Secretary - Mr R. Rose - S.E. Levy / Mr Carr
 Treasurer - Mr S.E. Levy - Mr Waxstock / Mr Carr
 Members of Committee - Mrs. Mrs. Boos, J. Rose, Mrs. Green, Harod and Arnott. Proposed by Mr Loeb seconded by S.E. Levy.

Mr Mallett thanked the members for their confidence and hoped they would continue their cooperation as they had done in the past.

The President proposed that collections for 1946 be on the same basis as last year and asked for comments from the members. He pointed out that painting of the Synagogue, inside & out and repairs were long overdue & may have to be taken in hand soon. A general discussion took place & comments that members were not getting services, neither a Rabbi for their contributions were voiced. The meeting finally decided to make the 1946 collections on the ^{same} basis ^{as} of 1945 and authorized the President accordingly on the proposal of Mr Loeb seconded by Mr Carr.

Mr Mallett informed the members that there was a real Estate boom going on here and desirable properties were changing hands freely and asked the members to voice their feelings & views on the possibility of selling the Synagogue & Blausland Hall. He heard of talk that such a possibility may occur - particularly with the proposed widening of Pandora Ave our property would be very desirable - and that an oil company and a Church were on the lookout for desirable property.

in town. He knew that the tenants of Blanchard Hall would be interested in that property, should it be known that it could be bought. With the foregoing possibility in mind he had obtained reliable unofficial estimates for replacing our Synagogue and was quoted a figure of \$30/35000 for a modern hollow brick, laminated roof building adequate for our requirements. He passed around a rough sketch which he had drawn up of the proposed bldg, which he had copied from one now building in Arizona to give the members an idea of one of the finest Synagogue bldgs he had seen. The handout also made it very clear, in view of the comments he had heard, that under no circumstances would the building be sold unless and until we had obtained permission to build, a site for the bldg and signed tenders with the contractors for the building, as he wanted it certain that we would not be left without a Synagogue. He asked for comments from the members and asked that these be confined to (1) whether or not they wanted to sell (2) if they wanted to specify whom we should sell to, and (3) the price they considered satisfactory. He wished the meeting to know that he looked up the old minutes and bye-laws to find out if there was any provision prohibiting such sale but found none. There was one provision which stated that in the event of our community declining to under ten persons, the property would then be placed in trust with the Provincial Government until the community grew again and could use & support the property. With regard to any sentimental or religious feelings against such sale he cited many instances of Synagogue being sold, in particular the case of the oldest Synagogue in Montreal being sold and used at present as a Chinese school.

A prolonged discussion followed and suggestions of all kinds being put forward and various figures of the market value of the property being brood until finally the following motion was put to the meeting and passed unanimously on the proposal of the laureate

seconded by Mr Boas.

"That the Congregation would consider an offer of
"\$50000- for the Synagogue & Blaushard Hall properties
" for a limited time."

An alternative proposal was put forward by Mr Harold
and seconded by Mr Shulka

"That the Congregation consider a price for
" the sale of Blaushard Hall provided such price
" be sufficient to carry out cost of modernizing
" the Synagogue building after due examination
" of the necessary repairs."

This was put to the meeting & passed unanimously

The meeting terminated at 10.30 pm.

Minutes of a meeting of members of Congregation

on Wednesday November 27th 1946 at 8 pm.

Present Mr J. Waxstock, Honorary President.

Mallek, Harold, Knowles, Mitchell Messrs. A.B. Alexander
Belkin, Israel, Kramer, Levi, Salmon, Shulka and
P. Weinstein.

The meeting was called to order at 8.10 pm.

The Honorary President, referred to the passing of Mr. H. Mallek
paying tribute to his memory and placing on record
the Community's appreciation of the work he had done
for the Community for many years. He asked the
members to stand up and observe a minute's silence
in his memory.

The President then called on the Secretary to read the notice convening the meeting, which was done, and the minutes of the last meeting, which was read and confirmed on the motion of Mr. J. Waxstock seconded by Mr. R. Rose.

Mr. Mallett referred to the heating system for the Synagogue which he had still been trying to have installed but in view of the objections raised by the fire chief, the matter had to be dropped. As regards the repairs for the Synagogue, he had a contractor go over the building and after examination he reported that a considerable amount of repairs would have to be undertaken once we started on it, including strengthening of foundations, reworking the whole building &c and to have all the work done would cost a prohibitive sum.

The President placed literature he had received from the United Synagogue of America before the meeting also an invitation to join this institution which was an affiliation of Conservative Synagogues. He cited the advantages of joining this institution which included helping member communities, getting rabbis, standardizing methods of religious teaching of children, helping with plans for new Synagogues &c &c The cost of membership would be twenty five cents (25¢) per member per annum.

Mr. A. S. Alexander spoke strongly in favour of our joining saying that the cost was so small and the advantages so great and put forward a motion that we join immediately. This was seconded by Mr. J. Alexander and passed unanimously and the President was authorized to sign the necessary applications for membership.

The President informed the meeting that the Vancouver Community had very kindly offered to send their Rabbi Cogan on a visit to Victoria on Dec 18th next and pay his expenses, to enable us to get acquainted. Rabbi Cogan was a brilliant and capable young religious leader and had done a great deal of good work.

a lot of very useful work for the youth there in whom he was very interested. Mr Mallett thought this visit would be of great benefit for us and suggested we have a dinner in his honour and invite the whole community to meet him. He stated that a number of our ladies had very kindly offered their services for putting up the dinner which could be held at the Trulli Centre Hall. He also suggested that an afternoon party for the children - the Room would be a very appropriate affair & mentioned that Mrs Martin Bous had very generously offered the use of her home for the occasion. Mr Greene supported the suggestions very strongly, and proposed that the dinner be held at the Empress Hotel and everyone in the community be invited and that the cost of the affair be paid from the Synagogue funds provided same did not exceed \$2.50 per person. After a little discussion the Mr. Greene's proposal was put to the meeting & passed unanimously & the President was authorized to invite Rabbi Copan to come on or Dec 18th. Mr Greene was appointed to make the necessary arrangements for the dinner.

A new plan of the cemetery was placed before the meeting which the President with the assistance of Messrs. Waxstock, Krasny & Luxembourg had just completed. Mr Waxstock offered a vote of thanks to Mr Mallett on behalf of the members stating that the drawing up of the plan entailed a tremendous lot of hard work against overwhelming odds and that Mr Mallett had done a very good job & deserved the thanks of the community. This was seconded by Mr. King and passed by acclamation.

The President pointed out that great improvement would be achieved if a driveway were built to permit of a hearse driving inside the cemetery and out by a gate which could be constructed on the far end of the cemetery. He placed an estimate covering the job of putting the driveway & erecting the gate for \$112.50 and requested permission to have the work done. Mr A. S. Alexander supported the President and proposed that the work be authorized. Mrs J. Alexander seconded and the motion was carried.

A letter was read from the Secretary of State of Canada advising the Canadian Citizen Act would come into force on January 1st 1947 and requesting that all

Synagogues emphasize the ideals of this act on Saturday, Jan'y 4th 1949. It was decided ~~that~~ as our Services are held on Friday nights that on the Friday night Jan'y 3rd services the Secretary of State's requests be carried out.

The President informed the meeting that he had ^{received} an offer of \$30,000 - for our property and gave it as his opinion that this offer could be improved upon to \$35000 or a little ~~more~~ ^{better} but as he was tied down by the resolution passed at the meeting of April 10th last setting the sale price at \$50,000, he could not negotiate, as the last price was more than he could get for our property. He asked for the views of the members as to reducing the selling price and in support of this he cited figures of cost of putting up a new Synagogue on the basis of data he had obtained from a United Synagogue & America pamphlet. These figures he had obtained from Loney Bros, one of the leading and dependable firm of contractors, and were as follows:-

Frame & Shuco bldg	\$ 22/25000 -
Hollow tile	25/30000..

Permanent seating capacity of 70 & when extended to include the social room to seat 200. These prices included a complete building with fir floors, oil heater, hot air conditioning, electric wiring, ballroom etc but excluding furniture on a lot 60 x 120 ft. The contractor guaranteed the bldg would not cost more than the figures quoted and thought to complete the building would take twelve months.

A general and prolonged discussion ensued everyone participating. The one fear that dominated the discussion was that the property would be sold & we would not have another place of worship despite the President's assurance that no sale would be put through until a site had been purchased and tender accepted within the sale price. Finally Mr. M. L. Beane put the following resolution which was seconded by Mr. Bernard and passed unanimously.

"that the President at his discretion appoint a Committee
to investigate all angles pertaining to the sale of the
property and the erection of a new Synagogue and
"place their findings before the Community."

Mr. Salmon thanked the President for his able handling of a
very difficult undertaking and expressed approval of the
appointment of the Committee as embodied by the resolution
just passed which he thought was all that could be done
under the circumstances.

The President drew attention that a few contributions
were still outstanding and requested and obtained the
permission of the meeting to write and remind those
members of same, who have not made their contributions.

The payment of \$300 and hotel expenses of \$21.-
made to the Cantor for the High Holidays Services was
passed unanimously on the proposal of Mr. Beene seconded
by Mr. Rose.

The meeting terminated at 10.20 pm.

Minutes of a meeting of the members of Congregation Emanuel
held in the Vestry Room on Thursday July 30th 1943 at 8 pm

Present Mr. E. Mallett President Mr. S. E. Levy Secretary & Treasurer
Mr & Mrs Carr, Mr & Mrs Krasny, Mrs E. Mallett Messrs
J. Karod, R. Loeb & Isreal.

Mr Mallett reported on his visit to New York
to interview the Theological Seminary to obtain the services
of a Student Rabbi for the Summer months including the
High Holidays. He stated that Rabbi Kogen had seen
the Director there and explained our position and prevailed
upon him to help us in this matter. Mr Mallett had
interviewed a Student who was assigned to our Community
and found him very suitable. He explained in detail what
the Rabbi would do here which included very intensive
training of children as well as adults, showing of movies

depicting biblical scenes and stories, lectures, and distribution
 of literature, which would keep the Rabbi & his wife busy
 weekdays during their stay here. He would also train one or
 two members of our Community to carry on the work of
 instructing the children in Hebrew & after they had come.
 He would also conduct the Services on the High Holidays &
 would have after Yom Kippur. Regarding payment, the
 Seminary controlled this and insisted on a certain
 standard of payment without any deviation. We would
 have to pay the Rabbi & his wife's fares to Victoria &
 back to New York which would cost us around \$500 -
 There would be a charge of at least \$700 for the High Holidays
 (The student rabbis were paid a minimum of \$700 - by small
 N.Y. congregations) and we would have to pay for their services
 for the rest of the time. In his opinion the total cost to
 us would be a minimum of \$1800 - Mr Mallett did not
 think he would find it difficult to raise this money as
 he proposed asking the parents to make a special contribution
 for the training of their children besides calling upon all
 the members of our Community to help.

A lengthy discussion ensued. The consensus
 of opinion expressed feared our small Community could not
 shoulder this large expense. Mrs Carr said that a number
 of parents had already arranged to take their children on
 holidays next summer and they could hardly be asked to contribute
 when they were away. She also thought 3 months study would
 be too short & the children would very soon forget what
 they learnt. Mr Harod disagreed and stated that once
 a good foundation was laid even the barest tutoring
 would help the children retain their knowledge and if
 we found the Rabbi & his methods satisfactory, we could
 do the same every summer.

The President remarked that great enthusiasm was shown
 when Rabbi Kogen had proposed the scheme and he thought
 something should be done - we could at least give it a trial.
 He as a parent was prepared to cancel the holiday he had
 planned for his children so as to give them the benefit of
 the training which would be on modern lines and
 achieve greater success ^{in a shorter period} than the old fashioned teaching we

were used to. After further discussion the Chairman was instructed to advise the Seminary that we were grateful for their assistance but that our small community could not afford the expense of a Rabbi & his wife and that we would appreciate it if they could assign a single man to us.

A note of thanks was expressed to the Chairman for the great deal of trouble he had taken in the matter & the meeting terminated at 10.20 pm.

Mr & Mrs. Kaurant, Mesdames C. Leiser, N. Muttall, R. Rose,
E. Maller, Greene Mrs. Israel & R. Loeb.

Mr Greene called the meeting to order stating that their President Mr Maller ~~asked~~ ^{asked} him to convey his regrets that he could not be present and had given him all the facts pertaining to our engaging a Student Rabbi & his wife from the Theological Seminary of New York and asked the Secretary to read a telegram received from the Director of the Seminary as follows:-

" Harris unavailable have contacted Goodblatts explained
" situation willing to accept because of great possibilities \$1600
" and rent will pay own fare hope \$100 over original offer
" we discussed would be obstacle in obtaining their outstanding
" couple Goodblatts have their offer pending are deferring

Signed Jerome Kesterman

185 Claremont Avenue N.Y.

after the telegram was read Mr Greene asked Mr Seay to report to the meeting ^{on} the discussion which took place at the previous meeting in connection with the proposed appointment of the Rabbi. When this was done Mr Greene called upon the members to express their views.

A long discussion ensued everyone participating. Mr Waxstock & Mr Lancaster thought the Community was not justified in expending \$1600 and probably a further \$200 for rent for a period of only 3 months. Mr Waxstock added that the children would soon forget what they had learnt after the Rabbi left. Mr Kramer said this large sum would be wasted & said we should concentrate on getting a full time Rabbi. Mr Carr supported Mr Kramer & suggested we give up the idea of bringing the Rabbi for the summer only and advertise extensively for a permanent Rabbi.

Mr Greene pointed out the footballs were especially trained in the modern method of teaching & would still give intensive training of both children and adults having a solid foundation and if some of our members would carry on Sunday School the children would retain ^{most of} ~~all~~ the knowledge they gained during the summer. He also stated that Rabbi Kopen had offered to come over once a month and do what he could to carry on which would be a real help. He did not think the money would be wasted as the whole Community would benefit. He could at least give it a trial. He also stated that he did not think the Synagogue would have to stand more ^{than} ~~that~~ \$7/800 as we would save a minimum of \$500 on the High Holidays. Furthermore a number of the interested parents were prepared to make additional contributions & we could approach all the members for helping us with additional donations. He asked the members present if they would indicate any additional amounts they would be prepared to

contribute and the following amounts were pledged.

Mr & Mrs Boas	\$100	- in addition to their contribution to the synagogue	
✓ Carr	\$100		do do
- Alexander	25		do do
- E. Mallet	100		do do
- Greene	50		do do
- S E Levy	50		do do
- Israel	50		do do
- Lancaster	20		do do
Mrs C. Leerer	50		do do
	<u>\$ 545.-</u>		

Mr Greene expressed his gratitude at the response and thanked all the contributors. He felt we could collect further sums if the members were approached.

After further discussion the following resolution was put to the meeting, on the proposal of Mr Alexander seconded by Mr Boas

"That the President be & he is hereby authorized
 " to accept the offer of the Theological Seminary of
 " New York to engage Mr & Mrs Goodblatt, for a
 " period of 3 months, June to September 1947
 " at a remuneration of Dollars one thousand six
 " hundred (\$1600) plus rent of premises during
 " their stay in Victoria."

The motion was put to the meeting and carried
 9 votes for and 5 votes against as follows.

In favour Mesdames Boas, Leerer, Mallet, Rose
 Messrs. Alexander, Israel, Lev. Greene & Levy.

Against Messrs. Carr, Kramer, Lancaster & Worslock

a proposal was put forward by Mr Alexander &
 seconded by Mr Israel that no efforts be spared by the

The Chairman thanked the members for their
 attendance and expressed the thanks of the members
 to Mr & Mrs Boas for so kindly putting their home at

Minutes of Meeting of Members of Congregation Emanuel held in the Synagogue premises, Blanchard Street on Wednesday 17th September 1947 at 8 p.m.

Present. Mr E. Mallet, President, R. Loeb Vice President, S. E. Levy Secy & Treasurer, Mesdames M. Boas, J. Rose & Mrs J. H. Harod, Committee Mr & Mrs Belcin, Mr & Mrs Raels, Mr & Mrs Luxembourg, Mr & Mrs Carr, Mr & Mrs Israel, Mesdames, Loeb, Leiser, Keenan, H. I. Mallet, E. Mallet, Baron, Nuttall, Balensky, Deene, Mrs J. Cohen, Mrs R. Ginsburg, Messrs. M. Boas, R. Rose, W. Beales, Krausz, J. Levy, P. Weinstein and Lalin, Rabbi & Mrs. Pincus, Goodblatt.

The meeting was called to order at 8 p.m.

Minutes of the three previous meetings were read and confirmed.

The President referred to the passing of Mr. J. Waxstock. He paid tribute to his memory and emphasized the good work he had done for the Congregation for a great many years. Mr Waxstock, more than anybody else was instrumental in keeping the Synagogue open and placed on record the gratitude of the Community for all Mr Waxstock had done for them. He asked the meeting to stand up and observe a minute's silence in his memory.

The President stated that we had spent approximately \$400 - for the purchase of Prayer Books for daily and holiday services also on purchase of sundry books, maps, pamphlets etc, for religious education and a further sum of approximately \$160 - was outstanding and requested authorization for the payment of these monies. This was authorized on the proposal of Mr Weinstein seconded by Mr Carr and passed unanimously.

The amount to be paid Rabbi & Mrs Goodblatt for remuneration and travelling expenses as authorized previously viz \$1600. - was passed for payment on the proposal of Mrs Deene seconded by Mrs Weinstein.

The President proposed a hearty vote of thanks to Mrs Bertrude Cohen for arranging to house the Rabbi and his wife which was a great help as at that time the housing situation was very desperate. Mr Mallet stated that he had written the Rabbi on

behalf of the Congregation expressing appreciation for the work he and his wife had done - A copy of this letter would be included in the next bulletin.

Mrs Greene proposed that a letter of appreciation be sent to the Theological Seminary of America letting them of the good work done by the Rabbi & his wife and how well satisfied we were. She also stated that mention be made of the good work of Rabbi Kogen and his efforts on our behalf and that a copy of said letter be sent to him in Vancouver. This was seconded by Mrs Carr & passed.

A member asked if the Committee had considered the possibility of retaining the services of Rabbi Goodblatt permanently. The President replied that the Rabbi had another year of study at the Seminary and after graduation the Rabbi planned to spend a year at the Hebrew University in Palestine.

Mrs Carr stated that the Rabbi had spent quite a lot of money for the benefit of the Congregation out of his own pocket and had not charged us. She suggested the purchase for them a going away present to offset these expenditures. The President suggested ^{that} a collection be made amongst members individually and a gift purchased. He also mentioned that the Rabbi & his wife were going away by plane and sending their baggage which consisted of a lot of books etc which they had brought with them for the Hebrew Education, and by Express and he thought it would be a good gesture if we paid the charges on them. This would amount to \$32. and on the proposal of Mr Luxembourg seconded by Mr Carr the Treasurer was authorized to pay these charges. This was passed unanimously.

The accounts for the year ending 31st Dec 1946 was presented and passed unanimously on the proposal of Mr Carr seconded by Mrs Boas.

Election of Officers. The President stated that he had spoken to a number of members about joining the Committee. himself, although not very anxious to take office again. He had done so as he was keen on putting the affairs of the Synagogue on a sound basis as well as establishing a Cemetery fund which he hoped to complete in the near future.

After some discussion the following were elected unanimously on proposal of Mr. Loeb seconded by Mrs. Greene.
 President - E. Mallett - Vice President - P. Weinstein
 Secretary - W. Beales. Treasurer - S. E. Levy.
 Committee - Messrs. Belsan, Krasney, Luxembourg, Greene and Mrs. Boas.

The President proposed a vote of thanks to Messrs J. Harod and J. Rose for their long and valuable ~~good~~ services to the Community and suggested that Mr Harod be elected Honorary President & Mr Rose Honorary Vice President. This was proposed by the President and seconded by Mr Levy & passed by acclamation.

Mr Weinstein spoke of Mrs. H. J. Mallett's untiring work in looking after the Cemetery and expressed the gratitude of the Community to her.

The President mentioned that the work on the roadway in the Cemetery authorized in a previous meeting had not been carried out satisfactorily and that payment was being withheld until such time as the work was carried out properly.

Mr Mallett submitted rough plans drawn by himself for remodelling the interior of the Synagogue to allow for a reception room, kitchen, boiler room with a smaller space for the Synagogue when attendances were small yet permitting for extension when required by a sudden turnout. He had gone over these alterations with a reliable firm of contractors who gave him a rough estimate of the cost at \$5000.- He thought this amount would be difficult to collect from a small Community such as ours and thought any uncollected portion could be covered by a mortgage. A general discussion ensued everyone participating and

finally on the proposal of Mr. Hared seconded by Mrs. Rose that the incoming Committee be authorized to go into this matter and report to the members with proper blueprints and estimates of cost - such blueprints not to exceed in cost ^{as sum of} \$200 - This was passed unanimously.

Rabbi & Mrs. Goodblatt joined the meeting at this stage and Mr. Hallett on behalf of the Community thanked them both for the wonderful success they had achieved in so short a time. The Rabbi replied suitably and thanked the members for their cooperation which made his success possible.

The President mentioned that Miss Rose Ginsburg had spent a lot of time studying Hebrew so that she could carry on the Bible Classes for the children twice weekly and suggested that some remuneration be offered to her. After a little discussion Mr. Beale proposed & Mr. Israel seconded that Miss Ginsburg be paid \$50. a month - This was passed unanimously.

The President announced that the rummage sale had realised a sum of \$168.17 which would be placed to the credit of the Cemetery fund and thanked the members who had worked so hard to make it such a great success. Mrs. Gennie on behalf of the members thanked Mr. Hallett for making the holding of the rummage sale possible by donating practically all the stuff himself. This was seconded by Mrs. Carr and passed unanimously.

The meeting terminated at 10.30 pm with a vote of thanks to the President.

Pres Mallek opened Meeting with a report on the progress of the Building of the Synagogue and stated that it was proceeding very satisfactorily.

Mr. Greene then stated that arrangements had been made and completed for a dinner to be held at the Douglas Hotel. a sum of \$1.50 per person was proposed by Mr. Belkin and seconded by Mr. Weinstein proposal carried unanimously.

Mr. Greene asked that a policy be stated and approved as to the Hiring of the Social Hall. after some discussion Mr. Greene proposed and Mr. Weinstein seconded that the Hiring of the Hall shall come under 3 categories (A)(B)(C). (A) Being for the use of Synagogue Business only and no Rent charged. (B) but Being for Jewish groups only and a charge of \$10. be made (C) but for any group other than

Jewish and any Individual of the community for social activities for which a fee of \$12.50 would be charged. motion carried unanimous.

a question was asked by Mr Weinstein Vice as to whether the event of the Social Hall being too small would the Synagogue be opened up to allow use for a larger congregation. Sec stated that it would seem that at no time would the members of the congregation be more than 60 people at one meeting and that as Mr Fromberg stated that the Social Hall would accommodate that comfortably. it would seem that there would not be any need to open up the Synagogue. Mr Belkin stated that if the Womens Committee of the Bnei Brith were to hold their meetings at the same time as the Men's section the social Hall would not be convenient and in that event would the Synagogue be allowed to be used. Pres Mallett answered that as a policy of procedure it would be at the discretion of the Hall committee which would be formed on the completion of the Social Hall. or of the President of the Synagogue. in the case of the Bnei Brith no objection would be held to use the synagogue.

NATIONAL LEADERSHIP TRAINING INSTITUTE

For the fourth year in succession, Canadian Young Judaea is holding a leadership training camp for a period of eight weeks at Otty Lake near Perth Ontario. Camp Biluim as it is called, opens its doors this season to forty potential Judaeans leaders from centres across Canada covering an area bounded by Cornerbrook, Wfld., Vancouver, B. C., Timmins and St. Catharines.

Coming from a variety of backgrounds and levels of Jewish education, these leaders in training are given an intensive programme of History, Zionism, Modern Israel, Hebrew Language and Literature, as well as the practical topics of songs, dances, arts and crafts, drama, club leadership and conducting of Judaeans meetings.

The cost of the Institute to the individual for two months would be approximately One Hundred Dollars. The remainder of the cost such as transportation, board, tuition, etc. would be borne by Zionist scholarship.
